[RUSH] MESSAGE: ON page 01 of the SPEC, there's mention of AN Appendix. It can be found beginning at page 44 of REM 7/23/02 is what appears to be the Appendix. It's a mixture of text tables + drawings, each page of which is called a "Figure". Is this to be printed + if so, how? None of the "Figures" is described in the SPEC; \*The narrative cannot be Figures, \*the actual drawings can't be text (37CFR 1.58(a)). Please resolve - maybe Appendix + reference p. 31 of SPEC should not be published?

Thank you - JOM
